A Word From Your Pastor...

Our **Annie Armstrong Easter offering** has received \$11,148.47 so far in our gifts for our missionaries serving here in North America. You are always welcome to give as you are able but just be sure to identify your gift by marking your gift for “Annie Armstrong” or North America Missions. As always the Lord bless you for your heart for our continent and mission work done by our wonderful North American missionaries.

Last Sunday we celebrated **Mother’s Day** and were grateful for all the moms who were here in church on the Lord’s Day. Where would the church be if it weren’t for the great women and mothers of faith? We bless you each and every one.

We also celebrated the achievement of our own Gateway Seminary graduate and student minister **John Paul Walton!** John received a very high award, the only one given each year by Gateway Old Testament faculty members to the graduating student in “recognition of excellence in scholarship and outstanding in Biblical Hebrew.” John studied Hebrew and Advanced Hebrew then added two more Semitic languages one on Akaddian and the second on Ugaritic. Both of those two languages had influence on the Old Testament Hebrew language. John also received a plaque and Zondervan resources. Well done John Paul!

This past Wednesday we celebrated the life of church member **Cora Cresswell**. Cora and her husband Bill both lived to 93 years though died 6 years apart. They loved traveling America and camping and supporting their children, grand-children and great grand-children. They experienced the very rare treat of being married for 67 years 10 months and 17 days! Only about 1% of couples get to that great mark of celebration. Both of the Cresswells were faithful members of the church. There are a few bulletins from that celebration in the church foyer on the welcome desk.
