Evening Worship Services

Cancelled throughout March due to COVID-19 pandemic

A Word from Your Pastor...

Covid-19

As we progress through these Covid-19 days, please know your church staff are praying for you and looking for every opportunity to serve you. Last Monday it was a blessing to receive the donation of free produce from a closing restaurant and a by-product was getting to see some of you here at the church as you were able to put it to good use. These difficult days do yield ministry opportunities and times of reflection and enlightenment. It is a once in a lifetime experience to face a pandemic and minister the love of Christ at the same time.

Our weekly online Bible Study and Worship Service was well received by you last week and that will continue as long as we are in this environment. I am grateful to our sound guys for working longer hours to set us up for the best possible production of the live-streaming services. We hope to continue to make them better. One way we will do that is by moving the Bible Study 15 minutes later to 9:30 so as to keep it and the Worship Service closer together in real time. You are welcome to make comments as you watch the live-stream services. And always welcome to text, call, or email other communication to all staff members. Their emails are on this "bulletin."

This Sunday March 29th is our fifth Sunday and Lord's Supper and Benevolence offering opportunity. I mentioned last Sunday to locate what elements you will use for the Supper. We will observe it in the middle of the worship service and I will try to remember to give you a head's up in case you forgot. It is a first in the history of our church! You can find services at our website fsbcg.org (click on "Sermons Online") or our [YouTube](https://www.youtube.com/channel/UCvYUyYUyYUyYUyYUyYUyYUyY) link.

Adult Small Group Bible Study and Prayer...

Sunday Morning Livestream...Romans

We know Paul as a great missionary preacher, but we cannot forget that he was also a world-class thinker. The Book of Romans demonstrates not only Paul's passion for the faith, but also his ability to build an airtight case for the gospel. Paul's logical presentation of truth and his emphasis on daily living have stood the test of time. As a result, his letter to the Romans has been treasured through the centuries and has been used to share the gospel and disciple Christians.
